Color guard team members and alternates 1st-3rd receive individual plaques, 4th-10th receive ribbons based on the team's placing.

## ARRIVAL AND RELEASE PROCEDURE

1. You may arrive the day of or the night prior to your class. Allow enough time for congested traffic and for confirming entries.
2. All 4-H'ers' trucks and trailers must first report to the 46th Street lot just north of the State Fairgrounds for number assignments. Trucks will be released to State Fair Gate 3 for unloading. A limited number of trucks will be released for unloading as space becomes available on the State Fairgrounds.
3. Once inside Gate 3, follow directions for unloading.
4. Stall horse and move in supplies. Each 4-H horse and pony animal will be assigned a stall by the State Fair Board personnel under the department director's supervision. Each 4-H'er will be assigned 1/4 of a tack stall. Locks are not permitted on the stall doors. Please do not bring TV's, microwaves, tables, etc. due to State Fire Marshal guidelines. **Items causing a fire hazard (e.g. blocking aisles) will be confiscated.**
5. **Upon arrival, check-in at the Horse and Pony stalling table. The 4-H member will receive a stalling assignment and a packet that contains their show number and a State Fair pin.**

6. All exhibitors entering the Fairgrounds on or after Wednesday, August 10, **must pay admission or an exhibitor ticket is required.** Any exhibitor leaving the Fairgrounds, wishing to return the same day **must** obtain a hand stamp from the gate attendant or pay admission to re-enter. This policy will be strictly enforced.

Additional exhibitor tickets may be purchased in person at the Entry Department Office, Communications Building, Indiana State Fairgrounds.

7. After unloading all trucks and trailers, 4-H'ers must seek parking outside the Fairgrounds proper. This year you will have two options:
  - a. Parking will be available for trucks and trailers at the 46th Street truck lot at no charge.
  - b. Parking will be available for trucks and trailers in the South 38th Street Lot, just south of the State Fairgrounds across 38th Street. Reserved lot costs \$5 per vehicle per day (truck and trailer combination \$10 per day). Reserved parking will be sold at the South 38th Street Lot during the 4-H Horse Show.
  - c. Once your rig is parked for unloading, you will have 20 minutes to unload your horse and tack. At the end of this time, the vehicle will be towed.

8. Transportation will be provided for exhibitors from the 46th Street lot to Gate 1 of the State Fairgrounds and from Gate 1 back to the 46th Street lot.
9. 4-H animals and exhibitors will be released from the 4-H Horse Stall Office to go get their trailer after they have completed their classes. Bring your "rig" to the same loading and unloading area.
10. When you have cleaned your stall and the barn crew has verified that it is all right, you will be given a Gate 3 RELEASE PASS, which must be turned into the gate attendant before you will be allowed to leave the Fairgrounds. Failure to follow this exit procedure may result in loss of eligibility for the 2006 Indiana State Fair and/or administrative penalty.

## 4-H HORSE AND PONY STATE FAIR

### TERMS AND CONDITIONS

---

All 4-H exhibitors who participate in the State Fair 4-H Horse and Pony Show and their parents/guardians shall jointly sign a hold harmless release waiver as a part of the state 4-H Horse and Pony entry form that releases and discharges the Indiana State Fair, the Indiana 4-H program, and their component members and successors from liability by reason of injury to persons and/or property, including death.

1. Note: All 4-H Horse/Pony classes shall be judged by the current edition of the Indiana 4-H Horse and Pony Handbook (4-H 661). Therefore, exhibitors should secure a personal copy from their local county Extension office. Refer to 4-H 661 for any policies/terms not addressed in this Handbook/Premium List.
2. All ENTRIES must be made in accordance with the official Indiana State Fair 4-H entry form which is available at the County Extension Office. All entries must be approved and signed by the 4-H Horse and Pony leader who certifies that the exhibitor is a valid 4-H Horse and Pony member and has met qualifying standards.
3. Each 4-H horse and pony member wishing to exhibit at the Indiana State Fair must fill out and return to the respective County Extension Office an official Indiana 4-H Horse and Pony enrollment form (4-H 516) prior to May 15.
4. Each county may send up to 30% of their total current year 4-H horse and pony membership. If a county's entries exceed the 30% quota, the county's quota will be reduced by a corresponding amount at the next State Fair. (Membership is determined by the number of 4-H members submitting 4-H 516 to the county extension office.)
5. Each county may make one (1) color guard entry for the State Fair in the county's name by using a color guard entry form. The entry may contain six (6) participants plus two (2) alternates. Each of the eight (8) animals must have been enrolled by the 4-H'er prior to the May 15 deadline.

6. Each area 4-H horse and pony show may only send their first place winners in the same class, if offered, or most similar class if same class is not offered, to the State Fair over and above the county quota of 30%. However, these winning 4-H member/animal combinations must also compete at the county level to be eligible to represent the area as a first place winner. Only the same combination of horse and rider from the area show is eligible to compete at the State Fair. Area shows are optional as determined by the area 4-H Horse and Pony advisory council.
7. Only the following 4-H'ers may participate in the state show:
  - a) 4-H'ers selected as part of the county's 30% quota of 4-H Horse and Pony members; b) six (6) members plus two (2) alternates of a county's color guard entered for the state show; and c) first place winners from the area show.

Each of the above 4-H'ers may enter and show only one (1) animal at the state show. (Note: a mare and foal is considered one (1) animal. The foal may be shown in an additional halter class.) 4-H'ers may show in a) one (1) halter class; b) one (1) performance class; c) color guard; and d) showmanship at halter (only if selected by the county for this class or by placing first in showmanship at the area show.)
8. Only one (1) showmanship winner from each area show and one (1) 4-H member from each county may show in each of the showmanship classes.
9. If 4-H members show in halter or performance classes because they are members of the county color guard team but then fail to participate in the color guard competition, the county quota will be reduced the following year.
10. 4-H horse and pony exhibitors may show in only one (1) of the three (3) shows (English Show, Western I or Western II). Color guard and contesting are a part of all three (3) shows. 4-H'ers may show in both saddle and hunter portions of the English show but may not use more than one (1) animal or exceed the combined total of classes indicated above.
11. Each 4-H horse and pony may be entered and shown at the State Fair by only one (1) 4-H member (excluding mare and foal - considered as one animal.)
12. The same combination of animal and rider entered for the State Fair show must have shown in the same class, if offered, or most similar class if same class is not offered in either their county or area show.
13. Animals must be in the 4-H member's ownership/approved lease and records started prior to May 15. This ownership/approved lease shall be continuous until after the State Fair.
14. 4-H animals purchased, sold or offered for sale after the enrollment deadline and prior to the Indiana State Fair (**including animals that have gone through a "Premium Only Auction"**), shall not be eligible to show in the 4-H show at the Indiana State Fair.

15. Within three (3) days of the county show or July 31st, (whichever is earlier), the 4-H'er selected for State Fair must contact the Extension office to obtain a **State Fair Entry Form**. At that time the 4-H'er and the horse and pony leader must add the correct dept number/section letters/class numbers on the entry form. The 4-H'er is absolutely responsible for the accuracy and completeness of the entry, including all signatures. Inaccurate or incomplete forms may result in disqualification. **\*Color guard exhibitors must complete individual entry forms, in addition to the team form submitted by the County/Coach.**
16. The 4-H'er must postmark (**no metered mail**) the entry form and send with a \$15 entry fee to the Entry Department, Indiana State Fair, 1202 E. 38th St., Indianapolis, IN 46205-2869 within three (3) days of the county show. If entry is not postmarked within three (3) days of the county show or July 31st (whichever is earlier), an **additional \$50** fee must accompany each entry. Entries after July 31st must be **hand delivered** to the Entry Department in the Communications building no later than **5:00 pm** on the **day before** you show and must be accompanied by a \$15.00 entry fee plus an **additional \$50** late fee plus an **additional \$50** per animal fee. Make check or money order payable to the Indiana State Fair. No cash accepted. It is suggested that you secure a certificate of Mailing from the clerk at the Post Office window. **WARNING! If all information is not completed on the entry form and payment enclosed, the entry will be returned to the 4-H'er and will be subject to all applicable late fees or result in disqualification.**
17. Confirmation of entries that are made between July 2-31 in the Entry Department of the Indiana State Fair will be mailed to the 4-H exhibitor if there is sufficient return mail time. Exhibitors should bring confirmation of their entries with them at time of check-in. Confirmation of entries cannot be made over the phone.
18. 4-H members must show their own animals. In cases where this cannot be done, the owner may have their animals shown by another 4-H Horse and Pony exhibitor (in halter classes only). Substitute showmen must be approved in writing by the 4-H show manager 24 hours prior to the showing of the animal(s) needing a substitute showman. Requests will only be granted for medical emergencies, conflicts with showing other animals, or desperate circumstances deemed unavoidable by the 4-H show manager. Failure to be excused from a job and/or participation in a sporting event or sports practice will not result in a substitute showman being granted.

19. Any Horse/Pony exhibited must be shown and owned by the child, or owned in partnership with the child's father, mother, brother, sister, aunt, uncle, grandparent or legal guardian. Note exception: leased Horses/Ponies may be shown if they follow county policy regarding leases, in the county from which the entry is submitted.
20. The decision of the judges will be final. Questions concerning terms and conditions are to be presented to the 4-H show manager for consideration.
21. The State Fair show committee reserves the right to measure and verify the I.D. of any horse or pony entered in the State Fair Horse & Pony Show. Only one (1) measurement will then be made, and that measurement will supersede previous measurements.
22. The State Fair management reserves the right to drug test any animal at any time. See drug policy, fraud and deception section in the front of the State Fair 4-H/FFA book. Refusing the tests will cause disqualification. Exhibitors of horses and ponies selected for drug testing will be required to fill out and sign A "4-H Horse and Pony Affidavit". A sample of this form appears later in this section and is also available at your County Extension Office or the Indiana State Fair Entry Department. Check with your veterinarian if you are using any over the counter medications to ensure they will not violate the State Fair drug policy. Do **not** send the affidavit with your entry form. The affidavit must be completed at the State Fair show.
23. Exhibitors are responsible for checking in at the make-up ring just prior to their class and safely entering the arena unassisted or they may be disqualified. Performance classes will be split when 26 riders have checked in.
24. Contesting horses will be mounted in the chute and brought to the arena at a controlled walk before beginning the pattern. Mounting assistance may be given by one (1) person of contestants' choice (**not show personnel**). Any changes in this procedure will be announced before the class. Failure to enter or leave the arena at a controlled walk will result in disqualification.
25. Only 4-H horse and pony members may ride, lunge or drive 4-H animals on the show grounds.
26. Animals are not to be ridden on the Fairgrounds except in the Pepsi Coliseum or Outdoor Arena. Failure to comply will result in loss of awards and dismissal from the show.
27. 4-H'ers entered in over-fences classes may walk the course without their horse or pony for five (5) minutes prior to the over-fences classes. Hunter hack entries will not walk the course.
28. Any 4-H exhibitor who breaks a barn term or condition may be barred from showing and/or forfeit any prizes or winnings.
29. An official show steward will be hired and charged with the authority to enforce 4-H terms and conditions. His/her decision may only be appealed to the grievance committee.

30. Mare and foal entries are not eligible for the champion and reserve champion classes.
31. Mules, donkeys, horses and ponies (including miniature horses & draft horses) are eligible to show at the State Fair 4-H horse and pony show and must comply to these terms and conditions.
32. Dogs are **not** permitted in the horse barn and surrounding area.
33. A negative Coggins test is not required, but is recommended.
34. Read health terms and conditions, general terms and conditions and ownership terms and conditions located in the front of the State Fair 4-H/FFA book. Especially note terms and conditions on behavior, tampering, misrepresentation, drugs, etc.
35. Fans must have proper safety approved shrouds.
36. To check animals in early or to keep animals in the Horse Barn beyond printed release times requires a written notice and approval by the State Fair Horse and Pony Department Director, or their designee. Requests must be Faxed to the Indiana State Fair Entry Department (317-927-7578), and must include a Fax number or email address for the response. Responses will be faxed or emailed after all entries have been received and processed. Requests must be made on the form available on the 4-H Horse and Pony website ([www.four-h.purdue.edu/horse](http://www.four-h.purdue.edu/horse)) and received at the Indiana State Fair by August 1 to be considered. All families requesting special stalling consideration must volunteer half a day at the horse show for each request. (Two 4-H members = 1 day volunteering, etc.)
37. Certified headgear and a boot with a heel shall be worn in all mounted classes, as well as when 4-H members are mounted on the State Fairgrounds for any reason. It is the responsibility of the 4-H member to ensure that the headgear meets the requirements outlined in 4-H 661. **Indiana State Fair, Indiana 4-H Horse Program, Show Committees, Officials, Judges and Extension Personnel are not responsible for checking headgear for such compliance.**
38. No pedestrians will be allowed on the Pepsi Coliseum and outdoor arena floor during horse and pony warm-up or practice times.
39. Only shavings are allowed for bedding stalls.
40. By order of the State Fire Marshall, aisles must remain clear at all times. Refer to #28 for consequences.
41. Classes offered in the State Fair 4-H Horse and Pony Show are subject to evaluation, and may be eliminated or combined due to low participation.
